

Haven't been placed yet?

Been placed but need First Aid or Lifeguard Certification?

Don't Panic!

We can help.

Did you know that there is a shortage of qualified Lifeguards in Canada, the USA and the UK?

Did you know that if you get your Lifeguard and First Aid certification **NOW**, you can increase your chances of getting placed **SIGNIFICANTLY**.

Invasion Group, Americamp and Americamp Canada have partnered with canaPHEM to help you get certified as a lifeguard in Canada, the USA and the UK. All of the training is being done in the UK.

For only \$600 Canadian (approximately £350), here is what training you get for your money:

- UK NPLQ Certification (UK Lifeguard Qualification valid for 2 years)
- Canadian Red Cross Pool and/or Waterfront Lifeguard Certification (Canadian and American qualification for camps valid for 2 – 3 years) *
- ECSI Standard First Aid and adult/child/infant CPR and AED Certification (UK, Europe, USA and Australasia qualification valid for 2 years)
- Canadian Red Cross Standard First Aid and adult/child/infant CPR and AED Certification (qualification for Canada valid for 3 years)
- Additional training in how to administer an EpiPen for Anaphylaxis, Salbutamol for Asthma, and Naloxone for Opioid overdoses
- Stop the Bleed Certification (certification through the US Department of Defense)

Let's talk about the **value** for you. If you took each certification program individually the cost would be closer to \$2000 CDN (£1212). By getting your qualifications through Americamp and canaPHEM you will **save up to \$1400 CDN (£850)** and increase your chances of placement THIS SUMMER **significantly**.

Have we convinced that this is for you? Here's the next step.

1. Register for your certification and pay Americamp \$600 CDN. Pick your dates for your Canadian / American Lifeguard upgrade AND first aid certification. Confirmation will be sent once your payment is received and the minimum numbers are enrolled.
2. You will be sent a list of companies across the UK and a registration code to get your NPLQ qualification. You will not pay direct for this as it is included in your fee. This must be done no later than March 31, 2019. You can choose one of the two three consecutive weekend courses**
3. Once your NPLQ is complete send a copy to both Americamp and canaPHEM
4. Attend your training date(s) and successfully complete your qualifications.
